Discarve

Welcome to Discarve Catalogue 2023 / 2024

We are pleased to present you with the Discarve product catalog for the 2023/24 season. In the first section, we showcase our products in action, providing a vivid insight into their functionality and real-world application. The second section delves into the technical specifications of each product in our range, ensuring that you have a comprehensive understanding of what we offer. We believe that this structure will help you navigate our offerings and make the best-informed decisions for your needs.

OUR BESTSELLERS

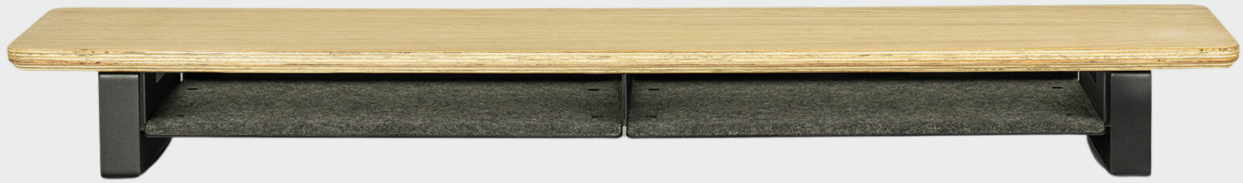

01

ALL IN ONE DESK SETUP

If you're looking for a complete solution to organize your desk, the All in One Desk Setup is perfect for you. It's a functional, comfortable, and stylish solution that allows you to efficiently manage your space and make the most of your work area. Don't wait any longer - invest in the All in One Desk Setup and enjoy a well-organized desk right now!

ORGANIZE YOUR DREAM WORKPLACE!

The All in One Desk Setup system consists of several parts. The main one is a monitor stand to which other accessories are mounted. Two lengths are available: 70 and 105 cm. The longer version allows you to install two metal shelves, a laptop riser, a laptop holder and a phone stand. In the case of a shorter stand, only one shelf can be installed. The accessories and the stand itself are available in three wood versions: oak, black painted oak and American walnut. Metal parts can be black or white (powder coated).

02

DESK ACCESSORIES

Crafted with precision and designed for efficiency, our organizers are not just functional – they're a statement. Say goodbye to clutter and embrace a more productive, streamlined, and aesthetically pleasing work environment. Because a tidy desk is a testament to a focused mind.

CATCH ALL TRAYS

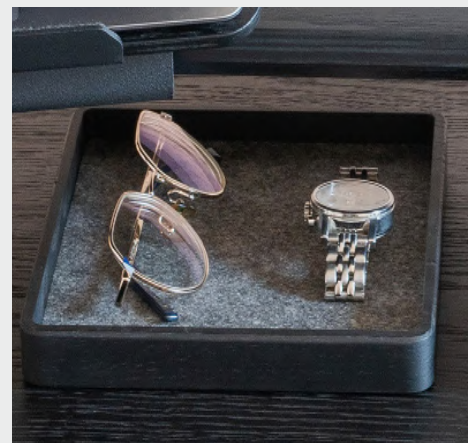

Discover our versatile catch all trays, the perfect storage solution for small items such as USB drives, earphones, phones, and jewelry. Available in four practical sizes to perfectly fit your needs. Choose from three types of wood, each with its unique appearance and texture. We've paid attention to every detail – the bottom of the tray is equipped with natural cork, ensuring stability and

protecting the surface on which the tray is placed. Additionally, the inside of the tray is lined with soft felt, guarding stored items against scratches. Our trays are not just functional; they're aesthetically pleasing too – the wood is protected with natural oil, accentuating its beauty and ensuring its longevity. The handmade finish gives them a unique, authentic touch. With our trays, you'll introduce not only order but also a piece of nature into your surroundings.

KEY FEATURES:

- Four sizes
- Three variants of wood
- Natural cork from the bottom
- Protection with natural oil
- Inside lined with soft felt
- Handmade finish

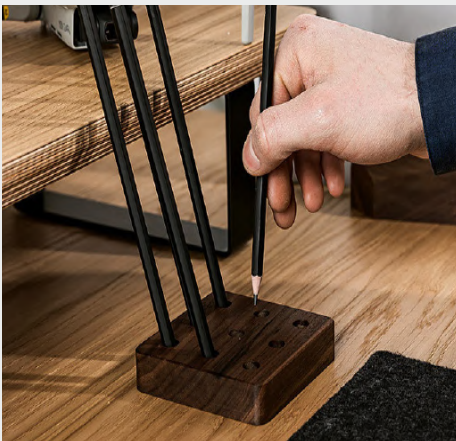

DESK ORGANIZERS

In addition to our versatile 'catch all' trays, our collection extends to meticulously designed desk organizers tailored for specific needs. Whether you're looking for a dedicated space to store your pens and pencils, a holder for your notepads, or a sleek container for paper clips, we have you covered. Just like our trays, these organizers reflect our commitment to quality and aesthetics. You can choose from three sophisticated finishes: the timeless appeal of oak, the contemporary elegance of black-painted oak, or the rich warmth of American walnut. Each piece not only serves its functional role but also adds a touch of refined craftsmanship to your workspace, seamlessly blending utility with style.

KEY FEATURES:

- Three variants of wood
- Natural cork from the bottom
- Protection with natural oil
- Inside lined with soft felt
- Handmade finish

HEADPHONE STAND

Introducing our Wooden Headphones Stand – it's more than just an accessory; it's a symphony of carefully chosen wood, artistry, and precision. Crafted for those who demand more than mass-produced goods, these stands are a true embodiment of craftsmanship and individuality. Available in three exquisite options, oak, black painted oak and American walnut, these stands radiate a sense of elegance and timelessness that brings a touch of nature to your personal space.

Constructed from solid wood, each stand represents the epitome of class and sophistication. The meticulous selection of wood, the artful craftsmanship, and the unwavering precision behind every detail combine to create a product that goes beyond mere utility. It's a work of art that will enhance and accentuate the stylish ambiance of your home or office, transforming your space into an expression of your refined taste.

KEY FEATURES:

- Three variants of wood
- Natural cork from the bottom
- Protection with natural oil
- Handmade finish

LAPTOP STANDS

Introducing the Vertical Laptop Holder by Discarve, a beautifully crafted, wooden stand that not only enhances the aesthetics of your workspace but also optimizes functionality. Inspired by the elegance of nature, this minimalist stand allows you to organize your dream workplace with a touch of unique, organic charm. Its standout feature lies in the ability to store your laptop or tablet vertically, effectively saving precious desk space. With an adjustable gap ranging from 15mm to 30mm, it accommodates a wide range of device models, ensuring universal compatibility.

Each stand is meticulously crafted using a "hand-made" method, guaranteeing a level of attention to detail that is second to none. The stand not only provides a stable vertical position for your device but also incorporates a soft felt lining in the gap to protect your device from scratches. Whether used on its own or in combination with other Discarve organizers, this stand is available in three luxurious wood variants: oak, black painted oak, and American walnut, each in unique shapes - geometric, rounded, and rectangle.

KEY FEATURES:

- Three variants of wood
- Natural cork from the bottom
- Protection with natural oil
- Handmade finish

PHONE STANDS

KEY FEATURES:

- Three variants of wood
- Natural cork from the bottom
- Protection with natural oil
- Handmade finish

Elevate your home office with our exquisite wooden phone stand, meticulously crafted for both style and functionality. This square phone stand is a testament to the perfect blend of artistry, precision, and natural beauty. With a 14.5mm gap, it cradles your smartphone, keeping them in an almost vertical position, making it ideal for seamless device operation. The premium wood used in its creation exudes class and individuality, ensuring that you'll bring a touch of elegance to your workspace. The attention to detail is apparent in the hand-crafted finish, milled top edges, and the use of natural cork on the bottom for stability. Coated with natural oil, it's a perfect harmony of aesthetics and functionality.

WOODEN WIRELESS CHARGERS

Wireless phone chargers eliminate the need to use cables, which makes charging your devices simpler and more intuitive. Thanks to their flat and stable design, just place the phone on the charger to start the charging process.

03

FOR ONE DEVICE

All our chargers are made of the highest quality solid wood. A speed of up to 15W allows you to comfortably charge any device compatible with Qi technology. Our wooden charger is the quintessential class and individuality that will emphasize the stylish nature of your home or office.

KEY FEATURES:

- Top-class wood
- Stainless steel
- Charging speed up to 15W
- Compatible with Qi technology
- Finish – natural oil

PERSONALIZED

Wireless chargers with personalized engraving are perfect as a gift. They are ordered for various occasions: birthdays, wedding anniversaries or Father's Day. It can be engraved with simple text in a selected font or graphics such as a logo.

Engraved chargers are often ordered by companies for their employees or customers. This is a way to promote your brand or give a nice gift that will be positively associated with the company.

FOR TWO DEVICES

All our chargers are made of the highest quality solid wood. A speed of up to 15W allows you to comfortably charge any device compatible with Qi technology. Our wooden charger is the quintessential class and individuality that will emphasize the stylish nature of your home or office.

KEY FEATURES:

- Top-class wood
- Stainless steel
- Charging speed 2x up to 15W
- Compatible with Qi technology
- Finish – natural oil

Engraved chargers are often ordered by companies for their employees or customers. This is a way to promote your brand or give a nice gift that will be positively associated with the company.

04

FELT DESK MATS

Felt pads allow you to protect the desk top against scratching, and significantly increase the comfort of working with the mouse, providing us with an increased area of movement. This unique accessory is another proposal from Discarve, thanks to which it becomes possible to achieve complete, even spectacular personalization of the workplace. Our desk mats have been created for people who value and look for exceptional quality, unique design and style in every, even the smallest, everyday object.

05

WOODEN PHONE CASES

A phone case designed for demanding clients, being the perfect combination of unique style and functionality. Effectively protects the device against scratches and provides the comfort of use – while not significantly affecting the phone's size.

RESIN & WOOD PHONE CASES

The synergetic combination of wood and resin enhances the uniqueness. It is impossible to get two identical copies. Our cases are inspired by nature, and their incredible precision gives the wood unique colors, shapes and structure. The resin is the perfect complement, perfectly blending with its structure.

ADDITIONAL MAGSAFE RING

The ring is fully compatible with Apple MagSafe accessories. Moreover, its magnetic nature makes it versatile enough to be used with magnetic car mounts, providing a secure hold while driving, making navigation and hands-free calls a breeze. Additionally, its design also supports inductive chargers, allowing for efficient wireless charging.

DISCARVE HEADPHONE STANDS

Our wooden stands with metal hangers stand out not only for their aesthetic appeal but also for their functionality and durability. Over the years, they have become one of our bestsellers, a testament to their popularity among our discerning clientele.

Offered in three distinct wood variants - the classic oak known for its robustness, the elegant American walnut which boasts a rich grain, and the striking black painted oak for a touch of modern sophistication - there's a choice to suit every taste and decor.

But that's not all! For the tech-savvy individuals, we've integrated a feature that sets our stands apart. The 2-in-1 option comes embedded with a wireless charger, making it an incredibly functional piece for your space. You can effortlessly charge your Qi-compatible devices.

Discarve Summary and Contact

Thank_you.

Thank you very much for taking the time to browse our product catalog. We hope that our innovative and carefully crafted accessories have inspired you and will be a great addition to your workplace, home or everyday life.

At Discarve, we strive to create products that are not only functional, but also beautiful and durable. Our passion for craftsmanship and love for nature translates into every product we create, guaranteeing you the highest quality.

If you have questions, need additional information or would like to collaborate more closely with us, please feel free to contact us. Our team is always ready to help you and provide you with the necessary information.

Thank you once again for your interest in the Discarve brand. Remember that our offer is regularly updated with new, exciting products.

With best regards,

Team Discarve
